We're grow- ing up,

grow- ing up, grow- ing up with Je- sus. Want to love like him,

live like him, liv- ing Je- sus' way. 1. Lord you know what's best for  
2. 'times we cut our- selves off

us al- ways. And so we trust in you. God, you  
from your love. Think we'll make it on our own. Like the

give us good- ness, give us life. Help us be like you. We're  
seed needs soil and sun and rain. We need God's love to grow.

grow- ing up, grow- ing up, liv- ing Je- sus' way.
